Re: Andrew Pinckney V. Herts #18147, et al. 07-CV-11310 (CMHD)

My name is Andrew Pinckney and I'm the Plaintiff in this case, and I'm asking the courts to Respectfully extend the time of responding to the Oppositions of the defendants motion base on qualify immunity. The deposition was taking July, 23, 2008 at 11-11 Hazen Street East Elmhurst NY 11370 at Rikers Island. In order for me to reply, I have to know the defendant allegation in support of they motion after deposition has been taking. I asking the courts to set a new due date for I may reply to there motion. At this time I donot have any paper in support of the defendants motion after deposition after its was taking.
